WARNING

This document contains classified information affecting the national security of the United States within the meaning of the espionage laws U.S. Code Title 18, Sections 793, 794, and 798. The law prohibits its transmission or the revelation of its contents in any manner to unauthorized persons, or the use of its contents for purposes of espionage. It is to be maintained in confidence or for the benefit of any foreign government or the detriment of the United States. It is to be seen only by U.S. Personnel especially indoctrinated and authorized to receive TALENT information. Its security must be maintained in accordance with TALENT regulations.

PREFACE

This publication contains the geographic location plots of the photography on Mission G 3029, dated 21 March 1961. These plots are presented on a WAC format that has been reduced for convenience to approximately 60 percent of the original size. There are six plot sheets in this publication, arranged in ascending order by control number.

The flight-line index on page iii indicates the approximate track of Mission G 3029.
